Welcome 2021 from the **We'll Get This!** crew to one and all:

We would like to thank you all the most for sticking by us during all of the 2020 crazy! Because of your never-ending support, we were able to keep supporting our families in need. Their needs changed somewhat with hospital visitor restrictions and reduced treatment volumes, but we rolled with it, and didn't miss a beat. With the help of the hospital social workers we count on, and all of your kind and generous donations, we were honored to help families whose children are fighting cancer get where they need to be. Thank you!

Our fourth annual golf tournament. Perfect weather, great costumes, wonderful, fun supportive people.

Dear friends,

It is a pleasure to greet you. I am Armando Cordova and I would like to do a short story about the We'll Get This! foundation.

Me and my family: my wife Tulia and my youngest son Jose Mauricio "Mao" came to Houston for medical reasons.

My son Mao suffers from Acute Lymphoblastic Leukemia Cancer with positive Philadelphia Chromosome Translocation. Already today it is in full remission, thank God.

Going through a difficult economic situation in which we were involved due to force majeure, we had the opportunity to meet Mrs. Darcy Creswell, who directs the We'll Get This! foundation, and through her foundation we have received great assistance and financial help to cover expenses, rent, transportation, food and other needs.

Thanks to the people and institutions that they represent, they alleviate the economic burden to people who, like us, have seen ourselves in difficult situations.

Thank you a thousand today, tomorrow and always to the We'll Get This! foundation, to Mrs. Darcy, her husband David and to her entire team for such a great work and who are always attentive to help those who need them.

God Bless you Always, Thank you very much.

Armando Cordova.

We'll Get This! has been such a blessing to my family.

My granddaughter was diagnosed on her 2nd birthday with Neuroblastoma, an aggressive childhood cancer. It's been a challenging 3 years of treatment and is still ongoing. We'll Get This! has always been right there with assistance & unwavering support that has included fuel cards, parking, lodging & long distance travel assistance. They truly make the world a better place for families that are facing the most difficult of times. I know for us they have been a lifesaver by taking the worry out of how we can get her to those lifesaving cancer treatments. We will be forever grateful to this wonderful organization.

2020 Annual Report

2020 was one of the most challenging years for many of us. And although our lives encountered delays and cancellations, unfortunately cancer did not.

Thank you so much.
