## 2025 Annual Report

Our founder, Tobin D. Creswell

2025 far exceeded our expectations, marking our 9<sup>th</sup> year in providing support to families fighting childhood cancer.

From a significant increase in donations to exceptional efforts to help families get across the country to receive specialized care, we are forever grateful to be able to do what we do. Through regular reflection of our family's struggle in fighting Tobin's cancer, we are reminded of the challenges families face, so it is with compassion that we offer that support and with extreme gratitude to our donors who trust us to do so.

We couldn't be more thankful to you, our supporters, for getting the families to the fight against childhood cancer.

In October, we had a great creative showing at our sold-out 9<sup>th</sup> annual golf tournament of Halloween fun - Tee Times Terrors!

## 2025 Annual Report

Our founder, Tobin D. Creswell

Welcome to 2026 from all of us at *We'll Get This!*

2025 was an exceptional year in donations from individuals, professional organizations, legacy giving, and fundraising activities. We were able to help families across the nation and able to get some families across the nation, each with unique travel demands. It is because of our generous donors that we can assist with their extraordinary circumstances.

We are honored to distribute your love and support so that families can get to the fight.

*Thank you the most!*
